

Amongst a host of personal best scores, the highlight was obviously Ben Gibb's tremendous victory in the Junior Boys' Pentathlon, earning him an England vest as he led our Junior Boys' team to the ESAA title – a trophy Somerset last won in 1989. But for an injury to Andrew Holmes we surely would have taken the Senior Boys' team event too!

Amongst the Race Walkers, Ben Casey looked particularly impressive and his performance earned him a South of England vest in an Inter- Area match at Dartford on 1<sup>st</sup> October.

Jane Yandell, Stuart Richards and Richard Llewellyn-Eaton worked tirelessly throughout the week-end to ensure team spirit and morale were maintained. The conduct of our athletes once again enhanced Somerset's reputation nationally.
