Combined Events, Rule 140 part 10: The time of each competitor should be taken by three timekeepers independently. Where fully automatic timing is in operation times shall be given to 1/100th of a second and scored by using the appropriate tables to 1/100th second.

Only one system of timing may be applied throughout each event. For record purposes, however, electrical times shall be applied regardless of whether such times are available for other competitors in the event

**The results on the following pages still show the electronic times.**
